

## EXCLUSIONS

The Certificate of Insurance details exclusions which apply. Please read it carefully.

### PRE-EXISTING CONDITION EXCLUSION

No benefits will be paid for losses or expenses incurred as a result of an Injury or Illness to the Insured which manifests itself during the 60 days immediately before and including the date the Insured's Coverage became effective, unless the condition is controlled through the taking of prescription drugs or medication and remains controlled throughout the 60 day period.

### PRE-EXISTING CONDITION WAIVER

Depending upon the program you selected, the Pre-Existing Condition exclusion may be waived if coverage is purchased within 3 days of the date the final payment was paid to the travel supplier. Insureds also must be medically able to travel on the date Coverage is purchased.

If the Pre-Existing Condition exclusion is not waived, you might still be covered if the answer to all of the following questions is "no." Review the questions below.

1. Were you treated for a new illness in the last 60 days?
2. Has your condition worsened or required medical attention in the past 60 days?
3. Have you received any new medications in the past 60 days or have any of your current dosages been changed?
